

Dance Movement Therapy Progress Report

Participant Name:	Service Agreement Dates:	Reporting Dance Movement Therapist:
NDIS Participant Number:	From - To -	NDIS GOALS: 1. 2. 3. 4.
DANCE MOVEMENT THERAPY SPECIFIC GOALS:		
1. 2. <i>*Add as many goals as is required here.</i>		
SUMMARY OF LINKS BETWEEN NDIS AND DMT SPECIFIC GOALS:	<i>Write a brief summary of the way DMT specific goals and activities support the participant to work towards their broader DMT goals here. Summarise how DMT supports a person to meet goals broadly.</i>	
GOAL 1 PROGRESS SUMMARY:	<i>This section will provide a brief summary of a participant's progress towards this outcome. It will provide some examples of DMT experiences/activities that supported the participant to progress towards these. **You can add to or reduce the number of outcomes</i>	
EVIDENCE OF PROGRESS:	<i>Paste here photos, graphs, brief vignettes taken from notes, art, etc.</i>	
GOAL 2 PROGRESS SUMMARY:	<i>This section will provide a brief summary of a participant's progress towards this outcome. It will provide some examples of DMT experiences/activities that supported the participant to progress towards these.</i>	
EVIDENCE OF PROGRESS:	<i>Paste here photos, graphs, brief vignettes taken from notes, art, etc.</i>	
PARTICIPANT FEEDBACK:	<i>This section may incorporate the responses of the participant in the form of writing, quoting spoken word, descriptions of movement, artwork or photos. It is intended to capture the participant's perspective on how they experience their DMT and how they feel they are going in relation to their therapeutic goals.</i>	

DTAA TEMPLATE: DANCE MOVEMENT THERAPY PROGRESS REPORT

RECOMMENDATIONS FOR FUTURE GOAL SETTING:	<i>Brief outline of possible future areas of therapeutic focus if the participant would like to continue accessing DMT.</i>
RECOMMENDATIONS FOR ADDITIONAL SUPPORT FROM OTHER SERVICE PROVIDERS:	<i>If appropriate provide suggestions for additional services or supports a participant may benefit from based on assessment/observations in DMT. For example accessing Speech Pathology, to support communication; another creative arts therapy modality; or accessing mainstream dance classes to expand on an observed interest in a specific dance style.</i>
FURTHER COMMENTS:
